So many majors to choose from?
How do you choose the major that is right for you?

We have a web site to help you…… www.majordecisions.uga.edu

Click on “Information about majors” (tab at the top of the page)

- Select a major from the list that appeals to you.
- Enter the major name on your sheet
- Find the contact person for the major
- Enter the contact name on your sheet
- Find one interesting thing about the major
- Enter one reason why the major interests you on your sheet

Click on “Careers” (link at the bottom of the page)
These are titles of jobs of UGA graduates with this major

- Enter a job title that appeals to you on the sheet

Click on “Search majors”
The site lets you search majors based on key words

- Pick a word that represents an area that interests you (ex. “marketing”)
- Enter the word in the field at the top of the page next to SEARCH
  A list of related majors will appear on the left
- Select a major that interests you
- Enter the name of the keyword and major on sheet

Click on “Compare majors” (tab at the top of the page)
The site lets you compare more than one major side by side

- Enter two different majors using the drop down lists at the top of the page
- Click the button next to the fields you want to compare

You have the option to compare all fields

- Pick the majors that appeal to you most
- Enter the name of the majors you compared on the sheet
- Enter the name of the major you like the most and why on the sheet
