

**College to University Articulation Agreement  
Joint Institutional Agreement**

**Between**

**Abraham Baldwin Agricultural College  
And  
University of Georgia**

**Agricultural Education Articulation**

**Purpose and Goals:**

The purpose of this Joint Institutional Agreement is to formally establish an educational partnership between the two institutions, and more specifically between departments that administer Agricultural Education course work and degrees. Furthermore, this agreement is intended to provide more access to higher educational opportunities for traditional and non-traditional students in the field of Agricultural Education.

All policies and procedures of the Board of Regents (BOR) of the University System of Georgia (USG), the Southern Association of Colleges and Schools (SACS), the University of Georgia (UGA), and Abraham Baldwin Agricultural College (ABAC) will be applicable to this agreement.

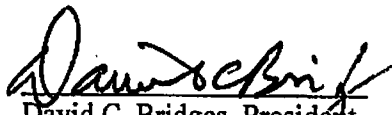

Students who earn the Associate of Science Degree (Agricultural Education) from Abraham Baldwin Agricultural College by completing the list of courses presented below with a minimum Regents GPA of 2.5 will be guaranteed immediate transfer admission into the Agricultural Education Program, College of Agricultural and Environmental Sciences, University of Georgia. All students are encouraged to consult with an academic advisor from both institutions as early as possible to plan coursework that will best meet their individual educational goals.

**SIGNATURES**

This agreement is valid starting with the date of signature of both Presidents and remains in effect until terminated in writing by either institution.
