

**College to University Articulation Agreement
Joint Institutional Agreement
Between
The University of Georgia
and
Waycross College
Agricultural Education**

The purpose of this Joint Institutional Agreement is to formally establish an educational partnership between the two institutions, and specifically, between the departments that administer Agricultural Education courses and degrees. Furthermore, this agreement is intended to provide greater access to higher educational opportunities for traditional and non-traditional students in the field of Agricultural Education.

All policies and procedures of the Board of Regents (BOR) of the University System of Georgia (USG), the Southern Association of Colleges and Schools (SACS), the University of Georgia (UGA), and Waycross College (Waycross) will be applicable to this agreement.

Students who earn the Associates of Science Degree from Waycross College by completing the list of courses presented below with a minimum Regents Grade Point Average of 2.8 will be offered transfer admission into the Agricultural Education program, College of Agricultural and Environmental Sciences, The University of Georgia. Prospective transfer students with a 2.5 – 2.8 transfer grade point average may be considered for admission on a case by case basis subject to space availability. Strong consideration will be given to students who have completed or are in progress of completing the intended courses listed below. All students are encouraged to consult with an academic counselor from both institutions as early as possible to plan course work that will best meet their individual educational goals.

The course numbers listed below are Waycross and UGA course prefixes and numbers; please consult the UGA transfer equivalency website for additional courses:
<http://www.admissions.uga.edu/apps/transferequiv/>

This agreement is valid starting with the date of signature of both Presidents and remains in effect until terminated in writing by either institution.
