

**University of Georgia - Undergraduate/Graduate Dual Degree Pathway Proposal
(Double Dawgs)**

Dual degree pathway proposals include more than one degree. Please provide the following information for each unit involved:

<p>Dual Degree Program (Major(s) and Degrees):</p> <p>Agriscience and Environmental Systems BSA/Plant Protection and Pest Management MPPPM</p>	
<p>Undergraduate Major Information</p>	<p>Graduate Major Information</p>
<p>*Undergraduate Major Name and Degree: Agriscience and Environmental Systems - BSA</p>	<p>*Graduate Major Name and Degree: Plant Protection and Pest Management - MPPPM</p>
<p>Undergraduate Major Department Name: Crop and Soil Sciences</p>	<p>Graduate Major Department Name: Entomology</p>
<p>*Undergraduate Major School/College Name: College of Agricultural and Environmental Sciences</p>	<p>*Graduate Major School/College Name: College of Agricultural and Environmental Sciences</p>
<p>*Undergraduate Major Advising Contact (Name, Office, Department, Phone Number): Dr. Gerald Henry, Crop & Soil Sciences</p>	<p>*Graduate Major Advising Contact (Name, Office, Department, Phone Number): Dr. David Riley, Entomology</p>
<p>*Effective Semester for Dual Degree Program: Fall 2017</p>	
<p>*Dual Degree Program Contact(s) (Name, Email, Phone Number, Department): Dr. David Riley, driley@uga.edu, Entomology</p> <p>Contact for person completing the form if different from Dual Degree Program Contact(s): (Name, Email, Phone Number, Department):</p> <hr/>	

*Indicates required field.

Curriculum:

It is important to ensure that the integrity of each individual program is maintained when selecting courses (maximum 12 credit hours) that may be used to satisfy the requirements of both programs. Please provide the following information:

- Include the following dual degree program requirements:
 - Specify which graduate-level courses will be used to satisfy undergraduate program requirements.

CRSS 6340, Weed Science (3), CRSS 6340L, Weed Science Lab (1)
 ENTO(CRSS) 6740, Integrated Pest Management (3)
 ENTO(CRSS) 6250, Pesticides and Transgenic Crops (3)
 - Provide any additional requirements that are unique to the dual degree program, such as certain courses or groups of courses (e.g., Area of Emphasis) that students must complete and/or any limitations on course selection.

ENTO 4000/6000-4000/6000L, General Entomology (4)
 PATH 6280-6280L, Diagnosis and Management of Plant Diseases (4)
 PATH 6130, Internship (1)
- Provide a sample program of study for the dual degree pathway.
 See attached sample program of study.

Admission:

- Specify how students will be admitted to the dual degree pathway:
 - Address how and when students will apply to the dual degree pathway.
 - After a student has 60-90 hours in the AES program, they will be able to apply to the dual degree (AES/MPPPM) program.
 - Include specific admittance requirements, such as coursework, GPA, and required tests.
 - Students who have taken the GRE with a score of 285 or better and completed the following courses with a grade of 3.0 or higher will be admitted to the dual degree program:

CRSS 3060, 3060L; CHEM 1211, CHEM 1211L, CHEM 1212, CHEM 1212L; BIOL 1107, BIOL 1107L, BIOL 1108, BIOL 1108L; and CRSS 2010-2010L or HORT 2000

Resources:

- Describe any additional resources required to implement the dual degree pathway. If additional resources are needed, indicate how such needs will be addressed.

Note: Assessment will not be addressed for the dual degree pathway, as each degree will be assessed as part of the individual program review process.

Completed and signed dual degree program proposal forms should be submitted to the Office of Curriculum Systems at currsys@uga.edu or 319 New College.
