Dear Dr. Mauricio:

In accordance with *A Culture of Honesty*, the university's academic honesty policy and procedures, I am providing the University Council with the attached report for the 2013-2014 academic year.

In addition to administering the university's academic honesty policy and speaking to numerous groups of students, faculty and teaching assistants, we continue to make every effort to resolve faculty concerns about possible cases of academic dishonesty quickly and fairly. As in the past, the Student Academic Honesty Council members provide an important service to the University by speaking to student groups and distributing reminders about the university's honor code.

I am grateful for the assistance provided by our faculty and professional staff who assist in facilitating academic honesty discussions, the service of faculty and students who volunteer to serve as panel members, and to those who support and promote academic integrity at UGA by reporting concerns, requesting speakers, and seeking guidance about issues of possible academic dishonesty.

If you have questions or would like additional information, please feel free to contact me.

Sincerely,

Director for Academic Honesty
