In order to use this application, the field study program or course must meet the following criteria:

- Students or faculty will participate in travel to locations beyond the main campus.
- The instructional time required at locations beyond the main campus must exceed 60 percent of the total instructional time.
- Students will be required to travel to destinations within the United States that are remote to the main campus. Travel may include tours of museums, archaeological digs, geological or wildlife field sites, etc., where the site constitutes an important resource for instruction. (A course that requires only minimal short distance field trips does not qualify.)

The application is for:

- individual course(s)
- set of courses leading to eligibility for a certificate, endorsement, or other credential (specify) _____
- degree program (specify) _____

Is more than 60% of this program taught off-campus? Yes _____ No _____

Anticipated start date: _____

Program length covered by application:

- one semester
- multiple semesters needed for a single group of students to complete one set of courses; number of semesters needed _____
- on-going until review required; new groups of students starting every semester or at set intervals

List the locations beyond the main campus in which the students receive instruction and the approximate amount of time in each location:

List prefix, course numbers, and course titles for all courses included in this program:

Describe the relationship between the courses(s)/program covered by this application and the ongoing instructional unit program:
