The University Curriculum Committee met April 6, 2000, at 8:30 a.m. in Room 105 Old College. Minutes of the March 17, 2000, meeting were approved.

The committee approved a proposal for an Interdisciplinary Certificate in Leadership and Service which will be forwarded to the Executive Committee of University Council for consideration. The committee agreed that leadership certificate programs created subsequently could also use the word "service" in the title.

The committee approved the following proposals which will be forwarded to the Executive Committee of University Council for consideration pending approval by the Graduate School:

Proposal for a Master of Food Technology Degree

Proposal for a Graduate Interdisciplinary Certificate Program in Atmospheric Sciences

Proposal for a Master of Internet Technology Degree

The committee approved the following proposals which will be forwarded to the Executive Committee of University Council for consideration:

Proposal for an Institute in New Media

Proposal for an Interdisciplinary Certificate Program in New Media

Proposal for a Plus/Minus Grading System

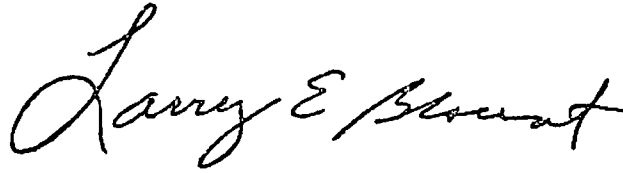

The committee discussed several issues which will be communicated to the central administration in a memo.
